

HARRIS INCIDENT

MEDIA RELEASE

Release Date: Friday, October 26, 2007 11:00 a.m.
Harris Fire Information Line (619) 449-1462

For All Media Aircraft

Due to the complexity of the aerial operations involved in the San Diego wildfires, we ask that any media aircraft entering the TFR's surrounding the incidents contact the corresponding Air Tactics Aircraft on the following UHF frequencies. This is in place for the safety of all involved; civilian and fire.

Harris Fire:

136.150

128.175

136.075

118.525

Witch Fire:

135.575

122.225

Poomacha:

136.1250

For additional information please contact the Harris Fire Information Line 619-449-1462.
